

Backyard Campout

Sleeping under the stars. Stories by the campfire. Eating gooey s'mores. Live the fun of camping and do it in EPIC style in your own backyard!

You Will Need:

- ☐ A tent: a real tent or blankets/sheets draped like a "fort" will work!
- ☐ Sleeping bags or blankets
- ☐ Pillows
- ☐ Air mattresses or sleeping pads (optional)
- ☐ Flashlights
- ☐ Playing cards or board games
- ☐ Marshmallows or other snack foods (optional)
- ☐ DEFINITELY your iPad so that you can watch EPIC outside!

Here's How

1. Before dark, find a flat spot in your yard or patio and pitch the tent.
2. Set up your sleeping bags or blankets inside the tent.
3. Even without an outdoor campfire, your parents can make outdoor goodies on the grill or on the stove and bring them out!
4. As it gets dark, flick on your flashlights. Tell stories, share jokes, and look for constellations in the sky to see how many you can name! Have your parents grab the snacks and watch your downloaded Digital HD version of EPIC (available August 20) on your iPad.
5. When you're ready to call it a night, snuggle in your sleeping bag!
