

# Trolls

## MOVIE WATCH-ALONG ACTIVITIES

**This Family Movie Night, join in the Trolls fun with these watch-along activities!**

### HAIR EXPRESSIONS

Before the movie, have a parent print your favorite family photo, and get out crayons, markers, or colored pencils. Trolls express themselves with their crazy hair, so when you see your favorite Troll hairstyle, get creative and see what your family looks like with Troll hair!

### CUPCAKES

Using food coloring, put colorful swirls into the cupcake batter to make a sweet troll snack. Or using food coloring and frosting, you can decorate each cupcake to look like your favorite Troll. Have the cupcakes ready and then gobble them down when the cupcakes appear on the screen!

### DANCE MOVES

Before watching Trolls with your family, come up with your own special Troll dance. Once it begins, wait for a family member to push one of the interactive buttons like "Glitter Party," then bust one of your moves for the whole family to see!
